I am delighted to introduce and recommend Ms. Samruddhi Dabhade whom I have known personally from 2015 to 2018. She is a bright and committed student, with an academic experience and a very desirable combination of skills.

I had the honour of tutoring her in the Finance modules at Suryadatta College, finding in her consistent performer with solid accounting skill, outstanding communication skills and excellent understanding of the scientific principles required for finance. Ms. Samruddhi Dabhade always showed herself as a responsible and dedicated student. Her attendance, grades and engagement are reflections for the effort she puts into learning.

It is timely to point out, as well, the excellent moral support she dedicated to the group activities, having witnessed and assessed her abilities in various roles during group activities.

In summary being a professor myself, I could not be more certain about her sustainability for the Master programme offered by your institution. I am confident of her ability to face the rigors of higher studies wish her all the very best for her future endeavours. I have been informed by samruddhi of her desire to purse her master in U.K. she has a strong bond with the finance field and she has knowledge about the finance world .I strongly believe that samruddhi is capable to excel is her studies.
