Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

All good
Be there for students, talk to them about how they are doing on studies.
It's above expectations always
It should come up with more interesting tasks out of the syllabus which can increase the potential of students and help them to cope up with external environment.
Nothing
Should explain through videos more . Overall everything is fine .
Everything is best, as i have learned the most and I'm still learning
Nothing
Everything is good
Learning is good and the teachers also explain the concept very well. Allowing everyone to communicate and give equal chance
No the overall teaching us great
Suryadatta College is the best college in my surrounding. . The teaching technique is very unique and they satisfy the students in any difficulty in there study.
Nothing

No need of any suggestions.
They are teaching in good way
No suggestion
Providing proper notes
No need to improve them, they are always good with us. We are proud of our faculties . They are always supportive.
Improve and update the library books, schedule guest lectures for current industry technologies, arrange hands on workshops for staying updated with the current trends.
1 more encouragement in project based learning
More mcq assignments
Lab equipment and inferstructure.
the teachers should make the subject as easy as they can
Very nice
N/A
Teacher are doing there job very well according to me so no suggestions for them

- 1) More practical learning
- 2) Company visits
- 3) Extra Courses

Very good teaching

On some cases it's Good and on some it's Bad

Nothing

Na

All good. Thank you 😊

No

Have more industry related skills training programs.
Teach excel to its very basics and provide advance excel programs or short courses.
Introduce and discuss new trends and technology advancement with students.

Use better visual media learning

reduce paper work
otherwise all good

1. Teacher most teaches in practical way

Good good good

Teaching is good, just they need to fix there a network connection.

Everything good

Overall the teaching by all the faculties were excellent

It,s good no suggestion to improve

- 1)Need to focus on practicals.
- 2)Need campus recruitment from clg.

They are excellent nothing to suggest any thing

Good connection of internet.

Good studios environment created by the teaching staff always helpful and always supportive 👍

Interactive learning , regular revisions and classes through effective notes and videos ,making a both way interaction

No suggestion

- 1st.Encourage active and practical learning
- 2nd.Provide for meaningful teacher-student interactions
- 3rd.Make course expectations clear and based on learning outcomes

No suggestions as of now
More Use of technology for teaching
Nothing
Nothing
The teaching facility provided by our teachers are perfectly fine.
No suggestions
I can't say improve , because faculty is very excilent
Very good
1. The college may organise debate sessions to not only improve knowledge of students but also enhance their soft skills on an academical topic.
2. Online face-to-face interactions can be promoted
Excellent
I don't think I should suggest anything. They are doing best.
No improvement They are perfect

1) Teachers are helpful in almost every aspect. 2)sometimes due to heavy work load they are not able to respond immediately but it can get better. 3)overall teaching is good.
No input from my side ..
Everything OK
MAKING A FIXED TIMETABLE FOR STUDENT, SCHEDULING MORE PRACTICAL SESSIONS, GIVE MORE RELATED ASSIGNMENTS (SPECIALLYON PRACTICALS)
I don't think there should be any changes.
Ok
Nothing
Good
Encourage Social Learning.
Overall it all good
Teachers should help us if anyone have any doubt
Teacher should use online webiste regular but not frequently.

Very good
Decrease collage fees and provide intership
...
Teaching process for some teachers must be more of a practical session than the theoretical one
More practical based.. Thanks for all the efforts..
all techers are very supportive and always there for any problem occurs
Communication, prectically,
Nothing, all are best..
.

Should pay right attention and give more practical knowledge
Learning is excellent
Everything is good

1.Well Experienced teacher's and And very good teaching
NA
Good
Nothing from my side
1] Should have more placement opportunities.
2] Overall teaching is good.
3] Good environment overall.
No comments
The institute takes active interest in promoting intership for Science students
1 teach slowly
2 and for the institution don't take that much fee for online lecture reduce the fee
..
Just need a little bit focus on stock study and finance study from 1st year like organizing some competition related to money investing games, selling their own product , finding startups and many more like this . But overall good experience and great teaching 👍

Teachers have thoroughly helped in completing the assignments and projects with great opportunity to learn and experience new things
Excellent facility! There's nothing to ask for
1. Just need to improve on the internet connectivity during lectures.
All good
No
NA
Teaching at an even pace
I cannot express how great the instructor was. I would definitely recommend to my friends
Not mention
Should understand students difficulty Must give more time for submission
Need to take proper follow up of students, Should help in placement training, Should provide internship opportunity to students
Practical learning, company visit, extra courses, etc.
Nothing
1) training to improve practical knowledge. 2) reduce papre work. 3) increase industrial visit.
New ideas of online school is rocking 🤖
Need to improve attendance of students make it compulsory
1. Instead of just sharing the same ppt taught in the class teachers should share elaborated notes in google classroom , as any other notes are not available in the market and also not referred. 2. Students should be given detailed information about the project/viva/assignment at once to avoid miss communication . 3. Overall the faculty are supportive in clearing students doubts and also knowing and clearing their grievances. Thank you for that !
Teachers can interact while keeping videos on sometimes.

1) if we can get response on our internal assignment grading system, it will appreciated.

Rest is all okay. Teachers are more than cooperative and helpful in extending their support whenever required from their end. Truly delighted to be a part of this institution and under the guidance of such helpful faculty members.

This is best educational organisation I have ever studied. I got very good guidance to build my career. Teachers are very helpful. College management is very smooth. Supporting staff understanding. Feeling strong knowledgeable support to a best career.

Give daily life example

Use technology to teach

Must communicates with students especially while guiding for project or research

All good thank you

No suggestion. Teaching is perfect

The time given to the students should extend a bit

Take more activities

Assigned project

Internship

Give less assignments , make internal evaluation easier for students

Field visits , More Sports emphasis , more non academic help

Teachers communicate or gives leadership to specific students only and some feel left out.

Nothing

Nothing everything is going good

I think teaching needs to done in more depth way and students need to pay attention more on these

Not any
