

The Suryadatta College of Management Information Research and Technology, Pune provides a constantly challenging and dynamic learning environment, set amidst state-of-the-art infrastructure, driven by creativity and competition and is supported by state-of-the-art technology and an eclectic pedagogy.

Education today, not only focuses on imparting knowledge skills but also on the overall development of Students.

In today's post-Covid job market, finding a full-time role after graduation can seem a daunting task. Now, more than ever, internships for college students are essential elements of career preparation. Hands-on experience is just as important as coursework for those looking to make a smooth transition into the global workforce.

An internship is the perfect opportunity to explore future career options, and to begin to build both a portfolio and a professional network.

Suryadatta Group of Institutes, Suryadatta College of Management Information Research and Technology, Pune has organized an Internship drive for all students on 26th August 2021 between 10.00 am to 1.00 pm. The part time and full time internships opportunities were offered to the students. The institute has scheduled an internship interview for 2 days viz. Preliminary round and Final round.

The interview process started on 26th August at 10:00 a.m. For the Preliminary round 45 students reported for the interview.

The interviews were conducted by 4 panels each consisting of 3 juries.

Each student was judged on the basis of various technical & non technical parameters,

After the preliminary round 20 students were shortlisted for the final round.

Final round of interview took place on 30th August 2021. The interviews were taken by Prof. Prashant Pitaliya, Director O.D. & CSR. Out of 25 students, 17 students were selected for final internship at Suryadatta Group of Institutes. The students got practical exposure and learning opportunities which will help them in their career.
