SCMIRT has created an Ecosystem for Innovations including Incubation Center and other initiatives for creation and Transfer of knowledge. Our Institution provides a healthy atmosphere, infrastructure, resources, and confidence for enhancement of the capacity and competencies of students and teachers in research and innovative activities.

Students with innovative and creative ideas approach faculty members who guide them in their work so that students can present their work in competitions. College encourages these students to take part in various activities regarding Innovation.

Our students have shown innovative ideas for startups. To recognize their efforts and to motivate students, the startup Institute arranged a start up Fest on 21st June 2021, to come up with different ideas of start up from students. SCMIRT students took part in this fest to show their ideas for new start up. SCMIRT students secured first place in this competition.

To improve the use of ICT effectively for the benefit of students, Dr. Professor Sandeep Jain (Faculty Lead - Innovation Start Up and ED Cell SGI), conducted several sessions and guided teachers, for using online tools for drawing diagrams, for Communication or Soft Skills based courses, Vocabulary tools. Gave demonstrations using Case lets, Case studies in Teachers also attended an online faculty Training Programme organized by the IQAC of the University for the development of e-content and the use of e-resources during the year.
