

SCMIRT

REPORT on CULTURAL PROGRAM

During NAAC Peer Team Visit – 27th March 2021

A Cultural program was organised by the students of SCMIRT, the Student Council, under the guidance of our Faculty, Neha Saraf and Dr. Jayashri Patil and our Dance-Zumba teacher, Sonali Sasar, during the NAAC Peer Team visit, on 27th March 2021.

Various students from all undergraduate programs participated enthusiastically to put up a nice Cultural event, depicting our rich Indian culture and heritage. Students hosted and organised the program with great vigour and professionalism.

The program began with a Saraswati Vandana by Om Mishra of TYBBA and Ganesh Vandana in Bharatnatyam dance form by our SYBBA-IB student, Kareena Manekar. There was a grand scale 'Powada' that was presented to represent the Maharashtrian tradition, so that the guests of honour could get a glimpse of the regional culture. Students also presented 'Colours of India', a program to represent the traditional attire of various Indian states. The event ended with our students playing the 'dhol-tasha' in typical Maharashtrian style, which mesmerised the guests.

The members of the NAAC Peer team thoroughly enjoyed the event and were all praise for our students. The students were given Certificates of participation to laud their efforts in putting up such a wonderful show!
