Fwd: SYBBACA (Sem III) Final Practical Exam AY 2021-22 Instructions

Find the attachment for the time table and practical questions.

In the attached file:- S.Y.B.B.A.(CA)_Sem_III_slips_2019_Pattern.pdf you will find total 30 slips, in the attached file named SYBBACA(Sem III) Practical Slips allotment.xlsx two slips numbers are mentioned in front of your name, you have to prepare only all questions of that two slips.

Students for Data structure, AngularJS and Block chain lab Journal submissions create a folder of your name, save all programs and screenshots of output in word document and share on the given drive link (access given to all official mail id):
<https://drive.google.com/drive/folders/1g0K2LKmMsXUYVQhRUK8sto9h1qtMYeOx?usp=sharing>
This will be considered as your practical journal.

Following procedure will be followed for conduction of practical exam

1. Practical exam will be conducted only in online mode. Exam Link will be shared half an hour prior to the exam on i.e on 3rd March 2022 at 9:30 am.
2. Every student will get two slips, out of that you have to execute only one slip on the exam day which will be chosen by your faculty only. You have to show online execution of any one program and viva will be conducted for the rest of the program.
3. In the attached excel sheet two slips numbers are mentioned in front of your name. Students have to prepare questions given in those two slips only.
4. I will share one Google form on the day of the practical exam in which you have to upload an image of your selected slip, write code of the program and also upload output (image/pdf) of that program.
5. Remember this is your final practical exam and we have to submit all records to SPPU.
